

Horohoro Native Tree Nursery

The Horohoro Native Tree Nursery is a growing native tree nursery of Ngāti Kea Ngāti Tuara providing plants to enhance the landscapes of farms, lifestyle blocks and reserves.

This year we are focused on growing a small range of hardy seedlings which are ideal for riparian planting around waterways. Seeds are sourced wherever possible from the local area including large natives (podocarps) which will be available in future years.

For more information and viewing appointments, please contact Kataraina George, kataraina@tipuenviro.nz or 0210469521.
